## Road Commission Accepts Burger King Offers \$215,000 To Buy Property

The Crawford County Road Commission has decided to accept Burger King's offer of \$215,000 to purchase their property and buildings on the corner of M-72 East and I-75 Business Loop.

David Sabin, attorney for the commission, presented Burger King's offer to the board at their November 10th meeting, but the members of the board put off making a decision on the offer until the two-year old property appraisals could be updated.

The road commission would receive \$193,500 of the purchase price and the remainder would be paid for the real estate broker's commission.

New appraisals by Garry Zachritz of Traverse City and Alpine Appraisal Company of Gaylord were \$200,000 and \$193,000 respectively. The Zachritz appraisal remained the same, but the Alpine appraisal increased from \$157,000 to

\$193,000.

The road commission board accepted Burger King's offer at its January 5th meeting with the following provisions:

--that the road commission may take or leave the radio antenna and if the commission decided to leave the tower it would be up to Burger King to leave or dismantle it,

--that the road commission could take all furnishings, equipment and fixtures whether separated or fixed to the building,

--that the earliest occupation date be set for October 1, 1990,

--and that Burger King's respond to the road commission's provisional offer within 30 days.

Commissioners Norm Parker and Clyde Anthony stated that the October 1st occupation date was not negotiable because there was not enough time to make an interim move to temporary

quarters while the new office/garage complex was completed. October 1st is the date the board anticipates its new offices will be ready for occupancy.

If Burger King does not respond within the 30 day time limit, the board of commissioners said they would put the property, located on the corner of M-72 East and the I-75 Business Loop, back on the market.

## State Undecided About Appealing AMAC Reversal

The Michigan Court of Appeals has overturned a ruling by Court Judge Alton Davis in a suit filed by the AuSable/Manistee Action Council (AMAC) against the Department of Military Affairs (DMA) in November, 1987.

The Court of Appeals' ruling stated that because AMAC's suit did not involve an ancillary claim for money damages, the circuit court had jurisdiction to hear AMAC's suit.

The appellate court also ruled that the Supreme Court has established that sovereign immunity from being sued does not bar contract claims against the state and cited four examples where agencies of the state of Michigan were sued.

AMAC filed a suit in the 46th Circuit Court on November 9, 1987, against the state of Michigan to prevent the use of donated property at Camp Grayling by military units other than the Michigan National Guard.

In the suit, AMAC stated that at the time the nearly 14,000 acres were donated (1913), Rasmus and Margrethe Hanson imposed restrictions on how the land was to be used. These restrictions specified that the land would be used as a permanent encampment for the Michigan Militia, as a game preserve, as a forest preserve and as a recreation camp for governmental employees.

On May 2, 1988, Judge Alton Davis, dismissed the suit stating, "If (the) Plaintiff has a justiciable claim, it must be litigated in the Court of Claims."

The judge's opinion stated that the Court of Claims has exclusive jurisdiction in claims against the state concerning contracts.

According to the appellate court ruling, in 1984 the Court of Claims Act was amended and provides that if there is no ancillary claim for money damages involved in a claim the Court of Claims lacks jurisdiction over equitable claims and stated that the circuit court did have jurisdiction over AMAC's claim for declaratory relief.

Dan Alstott, executive director for AMAC, said he was extremely encouraged by the December 27th decision.

"The DMA has 21 days from the date of the decision to appeal the ruling," said Alstott. He said AMAC would wait for that decision before announcing its plans.

"We intend to continue," he said. "It is just a matter of when and where. We did not go through all this to stop now."

MAJ Jerold Foehl, Camp Grayling spokesman, said the DMA has not determined whether to appeal the ruling.

"Both sides will be served by having a determination made which reflects the original donor's intent and will put this matter to rest once and for all," he said.

Public Affairs Officer LTC Brian Downey said, "The suit could harm the area's economy if non-Michigan units are barred and the defense department cuts back on the \$16 to \$20 million a year it spends on Camp Grayling."

He said he believes the guard will prove that Hanson approved of non-Michigan units using the camp. Downey said an example of this approval occurred when Hanson welcomed units from other states upon their arrival at Camp Grayling in 1927.

## Dog Census Tracked Down Non-paying Owners

Time ran out before the 1989 dog census could be completed, but County Treasurer Joseph Wakeley has dubbed the census a success.

Wakeley said approximately 2,000 licenses were issued in 1989 which produced \$9,659 in county revenue. This compares to about 900 licenses issued and \$3,068 received in 1988 when there was no dog census taken.

Wakeley said the benefits of the dog census go beyond the issuance of licenses and revenue for the county.

"Before any license can be issued the owner of the dog must present proof that his pet has received its rabies vaccine," he said. "Because

### Jaws of Life Free Couple After Collision

The Jaws of Life were used to free a Kalkaska couple who were pinned inside their pick-up following a two car accident on M-72 near Danish Lansing Road last Saturday, January 6. A fire had started under the hood of the truck, but the first sheriff's deputy at the scene was able to quickly control the fire with a fire extinguisher.

James Hittle, 82, and Edna Hittle, 79, both of Kalkaska were transported to Mercy Hospital by Crawford County Ambulance Corps and Northern Ambulance. James Hittle was later transferred to Munson Medical Center in Traverse City by North Flight.

The driver of the other vehicle, Mark Hamlyn, 41, of Traverse City, was taken by ambulance to Mercy Hospital.

The accident occurred at about 1:56 p.m. when Hittle lost control of his truck on the icy road and skidded sideways directly into the path of Hamlyn's vehicle. Hamlyn's vehicle struck Hittle's pick-up broadside.

Hittle was driving east on M-72 West approximately 1/2 mile East of Danish Landing Road. Hamlyn was traveling westbound.

James and his wife, Edna, were not wearing safety belts. Sheriff deputies said Hamlyn was wearing his safety belt and said it definitely contributed to him not suffering more serious injuries.

The Grayling City and Township Fire Department was called to the scene for fire suppression and the Jaws of Life. Deputies were also assisted for traffic control by DNR Conservation Officers and Grayling City patrolmen.

### 85-Year-Old Man Arrested For Threatening Pair

An 85 year old Grayling man was arrested by Crawford County Sheriff deputies last Sunday, January 7, after he allegedly threatened two Lapeer residents with a handgun.

The incident occurred at about 2 p.m. when the two downstate men were driving down a private road on the way to their week-end cabin when they were approached by the Grayling man with a gun. The two men left immediately, unharmed.

The man was later arrested and the weapon was confiscated following a 15 minute stand-off while sheriff deputies attempted to talk the elderly man out of his house.

The suspect's name is being withheld pending his arraignment.

### Camp Grayling Leads Blood Donor Groups

Despite the gloomy weather and a variety of illnesses, 81 donors came to the Blood Bank held at the American Legion on Wednesday, January 3.

There were 7 first time donors: Sandra Allison, Joseph Elekonich, Dale French, Mary Galloway, David Petrie, David Rozmarek, and Eric Wyskiel.

A 15 gallon pin was given to Theodore Buehler and one gallon pins to Carl Reed and Jamie St. John.

Top donor groups: 1-Camp Grayling; 2-M.A.T.E.S. Six other groups were tied for 3rd place.

The next Blood Drive will be March 7, Wednesday, at the American Legion from noon to 6 p.m.

## Seven Local Women Compete For 1990 Miss Grayling Title

The holidays are over but the festive spirit has not died for seven 1990 Miss Grayling contestants and members of the Miss Grayling Pageant Committee as they move directly from New Years to pageant preparations. This year's pageant is being coordinated by the Grayling - American Business Womens Association and in cooperation with the Grayling Regional Chamber of Commerce.

The first gathering of the contestants for the 1990 Miss Grayling Pageant was a get-acquainted tea held Tuesday, January 2nd, at the home of Mrs. Sue Bateson at Lake Margrethe. Contestants for this year's pageant are Janet Bickford, AnnaMarie Coffron, Paula Nunn, Margarita Perez, Laura Bloomquist, Nicole Trenary, and Ann Petrosky. The tea was an opportunity for the girls to share their expectations and fears about competing for the Miss Grayling title. Jim Adams of Jim Adam's Photography, the official photographer of the 1990 Miss Grayling Pageant, was on hand to capture the moment.

Wednesday, January 3rd, was the first photo session for the girls held at Adams Photography. A "beauty night" was held on Thursday, the 4th, at Golden Touch Beauty Salon. Afterwards the girls fed their pretty faces at Wendy's Old Fashion Hamburgers. Rehearsal for dance routines began Saturday with Louise Quigley at Louise's Dance Academy. Sunday it was swim-

ming and a movie of last year's pageant at the Hospitality House with dinner provided by McDonalds. Dawn Elekonich, the reigning "1989 Miss Grayling" will be on hand at all of the events to help prepare the girls as well as for moral support.

The fast pace continued with timed talent trials at Chief Shoppenagons Hotel Monday Jan. 8th. Pizza night was the following evening at the Copper Kettle. To work off all the munchies, Thursday Night, January 11th, will be fitness night at Rainbow Fitness. The next event to help prepare the girls will be a program on interviewing techniques by Deb Allen of the Grayling Regional Chamber of Commerce followed by modeling skills by Cheryl Alef at Aquarama Motel on Friday afternoon, the 19th. Then Sunday, January 21st begins the final week of pageant preparation with a "Love Concert and Friendship Tea" at the McNamara's house. All week long will be jammed with rehearsals, parties, and excitement leading up to the "Big Night" on Saturday evening, January 27th, at Joseph Stripe Auditorium at 7:30 p.m.

Make plans to get your tickets early. There is always a full house for the pageant and this year's plans call for the sale of all reserved seating. Tickets for the pageant may be purchased at the Chamber office, Chief Shoppenagons Hotel and Mac's Drugs. All tickets must be taken to Mac's Drugs to have seat numbers assigned.

# 65th Winter Carnival Features 25 Events

The Grayling Chamber of Commerce has announced plans for the 1990 Grayling Winter Sports Carnival taking place the first weekend in February, the 2, 3, and 4th. The Carnival will start off with a two-week-long, Chamber sponsored "Medallion Hunt" that will cover the entire county. The Medallion Hunt will feature a \$500 cash prize to be presented to the winner on the last day of the carnival at Hanson Hills recreational area.

More than 25 different events will take place over the three day carnival. This year, various clubs and organizations have offered their support to help organize the 65th Grayling Winter Sports Carnival. Hanson Hills Recreational Area will be coordinating various sporting events like tubing, down hill and cross country ski races as well as providing the facilities for a bonfire-singalong, pancake breakfast. On Saturday

the majority of the events will take place in the city of Grayling with a day-long white elephant sale taking place at the elementary school, and an exciting polar bear plunge at city park. On Sunday, WUPS radio will be holding a live broadcast at Hanson Hills from 12 noon until 4 p.m. highlighting the day's events.

A beautiful 1990 winter carnival sports carnival logo was designed by a local artist, Mrs. Cyndi Rakoczy. The Chamber has ordered 500 winter carnival buttons and bumper stickers to be sold for \$2 each. We hope you will help us make this year's event a success by purchasing 1990 - 65th Winter Carnival memorabilia, merchandise will be available at the Chamber Office and in various local businesses. A complete list of 1990 Winter Carnival events will be available in the upcoming editions of the Avalanche or contact the Chamber Office, #348-2921.

## Hanson Hills Hosts Area Special Olympics

The Hanson Hills Recreation Area in Grayling will be the site of the 1990 Area 4 Winter Special Olympics. The event will take place on Tuesday, Jan. 16th, with opening ceremonies scheduled for 10 a.m. This marks the eleventh consecutive year that

Hanson Hills has hosted the event which will see approximately 90 special athletes compete for ribbons in nordic skiing, downhill skiing and snowshoeing. Special Olympians competing in the event represent all of the communities within

Crawford, Ogemaw, Roscommon and Oscoda Counties. Various local groups will provide volunteers to help run the events. They include: area Moose Lodges, Showono Center and the Roscommon High School Rotary Interact Club. A color guard

from Camp Grayling will be on hand to participate in opening ceremonies.

Following the local competition, 24 athletes will be chosen to represent Area 4 at the state winter games which will be held on Feb. 5-8 at Sugarloaf Resort.

### Health Dept. Urges Immunization Updates

Dr. Gordon Rady, of the District Health Dept. is recommending children immunizations be brought up to date for measles.

Rady said a couple cases of measles have been reported in central Michigan. Rady said children should have their first immunizations for measles by 15 months of age. A second booster is also recommended. Some physicians recom-

mend the second shot at 5 years old while others recommend the second shot at 12 or 13 years old.

Appointments for the measles immunizations may be made at the District Health Dept. in Grayling by calling 348-7800. A \$3 donation is requested for immunizations.

## Parker Representing GHS At Leadership Seminar

Grayling High School sophomore Michelle Parker has been chosen as the school's 1990 representative to the annual Hugh O'Brien Youth Foundation (HOBY) Leadership Seminar.

Michelle, the daughter of Jim and Jackie Parker of Grayling, was selected from a field of eight candidates by a committee comprised of a Grayling Kiwanis member, school staff members and former HOBY representatives.

Last year, more than 12,000 high school sophomores participated in HOBY seminars in all 50 states, the Bahamas, Canada and Mexico. Held each spring since 1958, HOBY provides future leaders with the opportunity to meet, interact with, and question regionally, nationally and internationally renowned leaders.

Selection committees look for candidates who have 1) demonstrated leadership ability, 2) expressed sensitivity and concern for others, and 3) have the desire to learn and share their knowledge and experience with others.

On her application for HOBY, Michelle

provided the GHS committee with the following answers:

1) I have demonstrated leadership ability by being a very active person. For the past five years I've been on student council and for the last three years I've been Vice President. I have been in a variety of sports activities, such as cheerleading, band, softball and basketball. I was elected captain for the J.V. basketball team and elected to the board of the newly formed Pep Club. I have been homecoming princess for my 7th and 10th grade years.

2) I have shown my concern and sensitivity by participating in school and community functions. For the community I helped with the blood drive, for the school I helped with the "Teachers In-Service Project" and "SADD". I have helped people in their studies whenever possible and I teach Sunday School for 2 and 3 year olds.

3) I have shown desire to learn and to share my knowledge by attending as many helpful things as possible, such as leadership conferences. I attended one in Roscommon last year

and I am attending one this month. I have shown my interest in the senior trip proposal by being one of the committee members. Another thing I do is attend youth fellowship conferences for my church.

Other candidates for GHS HOBY representative included: Adam Anger, Nicole Barnes, Karen Ferguson, Scott Hartman, Thomas (Bob) Hebel, Ellen Kulick and Angela Thompson. GHS sophomore counselor Vickie

Green said, "I'd like to give credit to all those who interviewed. It takes a lot of fortitude, a lot of work. It's not an easy process to go through. They deserve recognition for going through the whole thing. Most of them have full schedules already."

Michelle will attend a three or four-day seminar this spring on the campus of a Michigan college. Expenses not covered by HOBY are paid by the Grayling Kiwanis Club.

**GHS REPRESENTATIVE**  
Sophomore Michelle Parker (R) poses with her counselor Vickie Green (L). Michelle will represent Grayling High School at the Hugh O'Brien Youth Foundation Leadership Seminar this spring.

A letter to our friends:

We regret to inform you that we will no longer be able to provide you with our obituary program which was broadcast every morning immediately following the ten o'clock news on radio station WQON. The radio station has informed us that they are no longer interested in airing the program, so we really have no recourse except discontinuance.

Thank you for letting us know how many of you listened to our program. If we can work out another way to keep the people informed about deaths in our community, be assured we will do so. For the present, we encourage you to give us a call at the funeral home if you have reason to believe a friend has died. We will be happy to answer your questions, and provide you with information about time, place, and date of funeral services.

## Northern Views

By Jon Thompson  
Avalanche Editor

I'm tired of hearing about Madonna, Donald Trump, Geraldo Rivera, Pee Wee Herman and all the other hot shots who were the so-called best of the 80's.

What about the people who quietly went out of their way to help people? Isn't it odd how these charitable, good people will never be talked about as much as someone such as Rosanne.

That's just the way of the world. But in our small community, we can be a little different. I'd like to be a spokesman for most of us for just a moment and say a simple thank you to some folks who go out of their way to help people in Crawford County. Your efforts are noticed and appreciated.

**ROSE DULEY** - is a leader and participant in many charity fundraisers throughout Grayling. She's contributed a lot to the local American Cancer Society chapter and has helped many people by giving extra effort as head of the county library.

**DIANNE AND DONN BROEKER** - among other things they do to help people, they both volunteer their time to tutor school children.

**TONY DOREMIRE** - there are people walking around Crawford County who may owe their lives to the dedication he gives to ambulance personnel training, CPR training, and other Red Cross training.

**SHERIFF HATFIELD** - as tough as they come, his sense of fairness has helped many people in difficult situations. He's also assisted people through his volunteer work with veteran groups, Kiwanis, and police organizations.

**KAREN AND STEVE LANGSETH** - they both volunteer many hours helping children through 4-H, sports, and school activities.

**KATHLEEN MOBARAK** - she goes the extra mile to help people as a Beaver Creek Twp. board member, and a county ambulance corps member. She's also helped children through 4-H activities and as a volunteer teacher's aide.

**NORMA AND JOHN NAOUR** - they have organized and worked at more fundraisers for community events such as the winter carnival and county fair than anyone in the county in the 1980's.

**PHYLLIS BRUMMER** - has led the way to establish a literacy tutoring program for our county.

**MIKE SHEARER** - he has volunteered for years to bring Jr. Pro basketball and other activities to area youth.

**GINGER AND GERALD CASEY** - have helped area children through 4-H soccer, baseball, basketball, and school activities.

**JOE MURPHY** - is continuously working for some charitable cause such as the new Frederic Library building fund, the county museum, and Lions Club projects.

**MAUREEN McNAMARA** - one of the best supporters of United Way campaigns and involved in most community projects.

**LEE ANN AND CHRIS DUNCLEY** - they both give extra time to local children through 4-H, sports, and church activities.

**JIM TOBIN** - a great motivator of area children, he's brought major league baseball players to Grayling for clinics for kids and helped youth through his volunteer Little League, Booster Club, and Jr. Pro work.

**PAM FISHER** - started the first Day Care center in the county and established Kenquest House for unwed teenage mothers.

**ANGELA KIRKUM** - has given an amazing amount of her time to help others in the county through hospital volunteer work and other ways.

**GERRY ST. GERMAIN** - one of the best organizers in the county, he's helped children through his volunteer work with the Grayling Youth Booster Club, the Grayling Little League, and by coaching basketball.

**JOHN HUNTER** - is helping quite a few young persons and families in the county with his extra effort in Probate Court as well as his volunteer work with many groups.

**LOIS AND RICK MEAD** - they both contribute many hours to area youth activities and charitable events.

Who else goes out of their way to help people in Crawford County? Tell us in a brief letter before Jan. 31st and we'll publish your note of appreciation to these good people in our Letters to the Editor section.

## Let's Talk About It

By Joe Murphy

It seems my hunch was right and we are in for an old fashioned winter with plenty of snow and cold. We have had several good winters in a row and I guess the time has come to pay the piper. Living here in town it's not too bad but if I were still out on the farm I'd have a lot of problems. It always seemed the coldest night of the year was the time when something had to go bad. When I first moved in there we had a rod pump and I just knew that on a real cold night the leathers would go bad and I'd have to pull all those rods to replace the leathers. I tried putting in new leathers in the fall but it didn't seem to help. If we had a real cold night I'd be down in the well pit working on the pump. It soon made the expression (colder than a well digger's behind) have new meaning. I soon put in a jet pump which solved that problem but something always was ready to take its place.

I'm afraid that wildlife is in for a bad time this winter unless we get a good January thaw. If we don't get a break in the weather we will lose a lot of deer before spring. If that happens it will be the hunters that will put out the effort and funds to try to save all they can. The so called animal lover's groups will be too busy with their plans to protect

the deer by harassing the hunters next deer season to lend a hand. Those humane people that would rather see people die of disease than animals used to find a cure leave me cold. No one wants animals treated with cruelty but if the choice is man or animal I'll choose man.

Hunters, if the deer get into trouble this winter, be generous as possible in time and funds to bring all we can through it. Then if as predicted you come under harassment from anti-hunting groups next fall ask, "Where were you when the deer needed you?"

Hunting as a sport is taking a lot of cheap shots from people who have no idea what hunting is all about. They get their idea of the woods from Walt Disney and television shows such as Wild Kingdom which are as phony as a three dollar bill. I lost all respect for news caster Dan Rather when he took part in that phony anti-hunting show Guns of Autumn. If the man was willing to take part in what he knew was a very biased thing like that, how can we believe anything he says? The portrayal of all hunters as beer guzzling slobs, who are out to kill Bambi is as wrong as the portrayal of sports heroes as American boys who can do no wrong.

### Submission of Essay All A Misunderstanding

To the Editor and

Avalanche Readers:

I would like to comment on your (Editor's) response to an article in the paper, of "Everything I Ever Really Needed To Know, I Learned In Kindergarten."

I would like to start by saying that I am very much and well aware who actually wrote it, and where it came from. I never claimed to have wrote it myself. I had used part of that in an essay report I had done for a college paper, and had they read the last 2 pages of it, they would have known that it was not my original and own words, because on that last page it told where and who I got my information. I had signed my name on that page because it was the last page of my essay! 2nd of all it was not my sister who submitted it, it was my aunt, my mother's sister! And they was not aware of the fact that I had not wrote it myself, from not reading those last 2 pages. It was all a misunderstanding on their part, which is what usually happens when you try to do something without the other person knowing about it! Which is

exactly what happened in this case, I had no knowledge of it. Till it was already printed. And I want to apologize for everyone involved on my part. I greatly give credit to the author of it, where it belongs - and last of all I want to comment on the tasteless tactics of the editor - I don't think it's necessary to print one's address as you did in the preceeding paper, it's not like I was convicted of a Felony or anything -- So why make a criminal case out of it? To tell the truth, I don't ap-

preciate the endless stream of unknown people "knocking" on my door. I was not proud to see it printed in the paper! Is it really necessary to plaster one's address in the paper, and further embarrass the innocent? In my own opinion it is an invasion of one's privacy, unless it's submitted by the original person!

Thanks Guys, you really know how to make someone's life miserable!

## County Citizens Help Area Needy

The Crawford County Department of Social Services would like to thank the citizens of Crawford County for their generosity this past holiday season.

The heartwarming expression of concern for others was evidenced by a number of individuals and groups making it possible for the staff at DSS to help make Christmas brighter for a number of families. As a result, our jobs and hearts were made

lighter and our holidays brighter.

The Department would also like to thank the individuals and groups who have offered to continue their support throughout the year. This action will help provide needed supportive services to many of our clients in this time of statewide budget cuts.

Thanks, Crawford County, for all you have done and will continue to do.

## Reader Says Camp Grayling Use Has Increased Over Years

This is not another letter regarding the National Guard's activity, or an opinion whether or not they are a benefit to the community.

I read Mrs. Bohn's letter in the most recent issue of the Avalanche and although she is entitled to her opinion, I take exception to the statement, that has been well used by other writers in the past, "that the guards were here long before most of us and knew they were here when we moved here, and if we don't like it, there are other areas to move to."

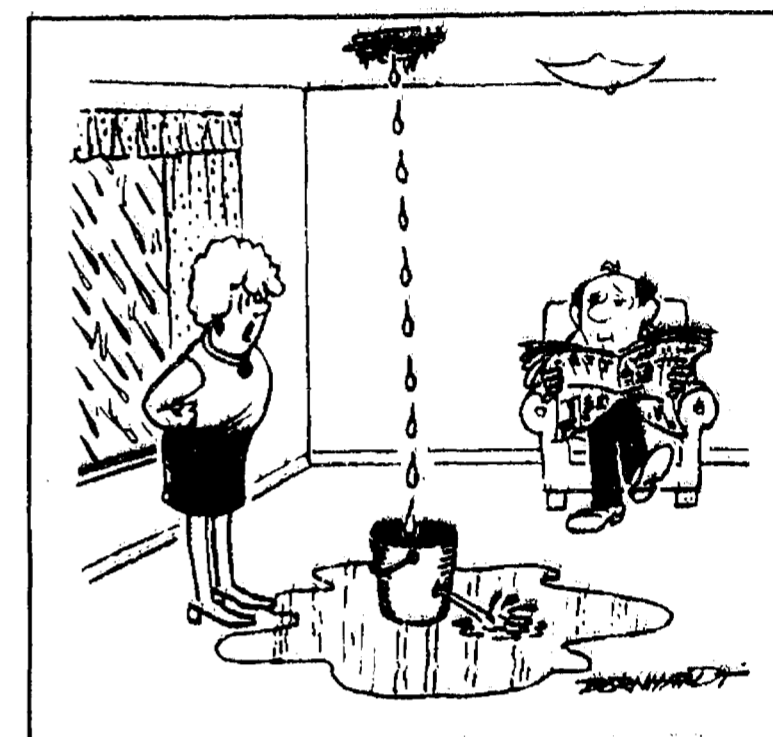

Having lived in Grayling for over 20 years, I believe Mrs. Bohn fails to remember what Camp Grayling was 20 plus years ago. It was a

summer camp, used for three months of the year, and was closed down after Labor Day. There were virtually no activities at the Camp during the winter. Yes, people knew the Guards were here and had no problem with it, because of the activity level at that time. I also remember that "back then" community leaders were often asked if Camp Grayling would be a year around camp and the answer was "no".

I feel the reason for some of the resentment towards the Military is that people were not properly informed about future plans and activities of the Camp and are now faced with the reality of a year-around, military installation.

## ALL ABOUT TOWN

## Almanac

### The job of newspapering

(WRITER'S NOTE: In another hometown newspaper this week, new owners spelled out their ideas on how to go about community newspapering. As we enter the 1990's, these ideas seem just as valid as they were when I first put them into writing more than 50 years ago.)

IN OUR VIEW, a newspaper is something special. We are not in the newspaper business primarily to make money. It may sound naive, and maybe even a little corny, but we are in the newspaper business primarily because we look upon the newspaper as an important public service.

Sure, a newspaper is a business, and to stay in business, we must make a profit. Without profit, a newspaper will wither and die. But we believe a newspaper is much more than merely a business.

A newspaper is many things. It is a market place for goods and services, and relies heavily upon advertising.

It is an entertainment medium. It should be fun to read this newspaper. You should enjoy it. And it also should be educational; a reader should have more knowledge after reading our paper than before he or she picked up.

A NEWSPAPER IS a public record. What it reports is preserved in the archives of history; what it ignores fades into oblivion. A newspaper prints history. It should provide its readers with the basic information they need to know what's going on. Part of the goal of this newspaper will be to deserve the respect and confidence of the people so they can say with no hesitancy: "Of course it's true; I saw it in the paper."

A newspaper should be an activist. It should be involved in the affairs of its community. Only as its community prospers and grows can the newspaper prosper and grow.

The primary function of a newspaper is to present the news, to record the day-to-day history of its community. We believe this newspaper owes its first allegiance to this community, reporting the interesting and important things that affect the people here. We believe that the further we get away from home, the less our

responsibility becomes in these matters.

A newspaper should help form and direct public opinion. It should dig up the facts and present them honestly and objectively and completely. But it should also form its own opinions, based on fact, and then present these opinions persuasively to accomplish what, in its best judgement, is best for the community.

IT MUST ALWAYS separate fact from opinion. News stories should be just that -- news stories. Opinion should be limited to the editorial pages or the personal columns of the newspaper's writers.

Certainly a newspaper should criticize what it believes is proper subject for just criticism. But its commentaries should not be limited to criticism. Praise, too, is a fit subject for a newspaper's editorial columns; and all too often, the good deeds done in any community escape proper recognition.

A newspaper must be consistent in how it treats similar events, regardless of the social, economic or political station of those who may be involved.

A newspaper should be inviting and interesting. The greatest writing in the world is not much good, unless somebody reads it.

All newspapers, in our view, enjoy a unique role in our system of government -- a role of responsibility in making citizens aware, and jogging their conscience, and looking out for their interests.

Usually, we have very limited first-hand knowledge of most situations. What we know is what we are permitted to know by our various media of communications. We recognize this responsibility as a heavy one, and we intend to fulfill it to the very best of our ability.

GENERALLY SPEAKING, these are the guidelines which will prompt our activities and guide our efforts.

It's not easy for any newspaper to live up to these standards, and to other standards that most responsible newspaper folks recognize as sound newspaper practice.

But we're certainly going to try. As a newspaper, we hope to earn and deserve both your love and your respect.

But if we should have to choose between love and respect, we would rather be respected.

## Bits of Talk

By Fay Bovee (348-7017)

Is there anyone in  
my reading audience  
that has any infor-

mation on the whereabouts of Barbara Elliott, Rick Ryboit, or Daniel Fuller, graduates of Grayling High School 1970. Their addresses are needed by the class for their class reunion planned for this summer, probably in August. If you know anyone that has their address, please contact Joy Bobenmoyer, Susan McCurdy or myself -- 348-7017.

Guests of Joan and Stu Rose over the holidays were their daughter-in-law, Kelly LaMotte and her children of Smyrna Beach, Florida. Bill LaMotte and his wife and daughter of Flint, and Joan's brother, Bob Cassidy and family of Frederic were also guests.

The Tom Welsh family were all home for Christmas. Joanne and Frank Doty spent Sunday and Monday and Tom and Lynn Akers and children spent the time with both the Tom

Welshes and LeRoy Akers. Tom and Lynn also enjoyed some skiing.

The Ausable Singles will meet at the Michelson Memorial United Methodist Church in the Fellowship Hall for a potluck dinner on Saturday, January 13, at 6:30 p.m. An in-

formational program will be presented by Mary Ann LaVigne, educational assistant. All singles are welcome.

Les Hunter spent two weeks in Seattle, Washington, with his daughters, Mary Hunter, of Seattle and Gall Hunter of Marietta, Georgia, who also flew

out for the holidays. Joining the Hunters the day after Christmas was Mary Peterson of Rochester, Michigan.

Bob and Marian Wills of Flint are spending several days this week visiting her uncle, Les Hunter.

Lynn Ferrigan was guest of honor at a baby shower on Sunday afternoon, January 7, 1990, at the home of Shirley Hauch. The Ferrigans are the happy parents of Katie Lynn, who was born on December 27, 1989. Family members were guests at the shower.

Mike Gardiner brought his aunts, Margaret and Leona Gardiner from Lansing to spend the holidays with their brother, Vern Gardiner. Mike took them back to Lansing before returning to Grayling.

## Dog Census

Continued from page 1

of the census, there are many more vaccinated dogs and that's better for everyone."

Wakeley said his office will be asking the County Board of Commissioners at their January 13th meeting to approve the beginning of the 1990 dog census. He said the new census will begin by covering the areas not canvassed in 1989. This includes the area east of Grayling, south of North Down River Road and the City of Grayling. He said he has ordered 3,000 dog licenses for 1990.

License fees for 1990 have been increased to \$5 for all male and female dogs and \$3 for unsexed dogs.

Wakeley explained that his office has changed the way it keeps track of dogs within the county. He said a tracking system using a sequence number and name of the township is combined. The local veterinarian's office will be coding licenses it sells to coincide with the new system.

"As we perfect the census and the tracking system it is our hope that the law enforcement process will take over," said Wakeley.

According to Assistant Animal Control Officer Dixie Lobsinger's year end report, information was gathered on 2,060 dogs during her door-to-door census.

Lobsinger said a list containing the names of 213 Crawford County residents who own unlicensed dogs has been turned over to the prosecuting attorney.

Assistant Prosecutor David Sabin said persons who were contacted during the 1989 dog census and did not purchase licenses have an opportunity to do so before March 1, at the courthouse, when they purchase their dog's 1990 license. Otherwise, he explained, the prosecutor's office will issue complaints of non-compliance of Act 389, the 1919 Dog Law, which Sabin said is a misdemeanor.

"Upon conviction of a misdemeanor," explained Sabin, "a person can be fined not less than \$10 nor more than \$100 or imprisonment in the county jail for not more than three months or both fine and imprisonment." He said that in addition to any fines levied, the person is also subject to pay court costs.

### Thank You

Kenquest House would like to extend their appreciation to the community of Grayling for their generous giving during this post holiday season. Special thanks to K-Mart and St. Mary's Catholic Church for making the "Giving Tree" available to Kenquest House. ## Survey Shows \$8.62 Average Wage For KCC Graduates

Kirtland Community College conducted a placement survey of Associate degree and Certificate graduates of the 1987-88 school year, and found that nearly 76% of those employed are working in occupations that are directly related to the training they received. This information was

recently made known by Steve Cooper, Coordinator of the Career Placement Center at Kirtland. The survey was sent to 302 graduates. Average salaries ranged from \$4.80 for Associate degree Banking and Finance graduates to \$11.78 for Associate degree Nur-

sing graduates, and from \$4.45 for business graduates with Certificates to \$9.48 for Pre-Corrections certificate holders. The average wage for all those employed is \$8.62.

Our economy is changing, and the new jobs it is creating require higher levels of skill than before, as well as different kinds of skills. "The role of Kirtland is to prepare graduates for these changes," said Cooper.

A state report entitled "Countdown 2000-Michigan's Action Plan for Competitive Workforce" indicates that 30% of the new jobs created between 1987 and 2000 will require at least four years of college. In

addition, 22% of the new jobs created in this same time period will require from one to three years of college, however only 20% of our workforce has reached that level of schooling.

The majority of Michigan's workforce has a high school diploma and no further education. According to the report, this is bad news for Michigan workers, because the number of jobs available requiring only a high school diploma will decline between now and the year 2000. "We're here to help those people," stated Cooper.

This placement survey was the first of its kind at Kirtland and will now be conducted annually.

## College Financial Aid Workshop Here Jan. 22

Paying for an education is one of the primary concerns of every family sending sons and daughters to a college or vocational or technical school. To help you learn what assistance is available and how to begin, Vickie Green, Grayling High School Counselor, and Dale Schantz, Financial Aid Coordinator from Kirtland Community College, will hold a financial aid workshop for parents and students. Also available to present information on

the Guaranteed Student Loan will be Sharon Niebrzydowski from the Chemical Bank North.

If your son or daughter is a senior, you must take steps immediately to insure that you will get the financial aid you qualify for.

This important financial aid meeting will be held on Monday, January 22, 7:00 p.m. in the Grayling High School Chuck Kolb Library.

## Obituaries

### James McKie

James McKie, 78, of Grayling Township died on January 5, 1990, at his residence. Graveside services will be held in the spring at Elmwood Cemetery with the Reverend Daniel Lochner officiating. Memorials to the Mount Hope Lutheran Church Debt Fund are suggested by the McKie family.

Mr. McKie was the son of Charles and Jane (Craig) McKie, born on June 3, 1911, in Elderslie, Scotland. He married Elaine E. Will on August 22, 1959, in Joliet, Illinois. He lived in Illinois for one year before moving to Grayling, and resided in Detroit prior to that. He was a retired salesman for Capper & Capper, a gentlemen's fine clothing store in Detroit. He lived in Grayling for fifteen years.

Survivors include his wife Elaine E. McKie, one sister Jean Montgomery of Bloomfield Hills, MI, brother Andrew McKie of New Jersey, and a niece Rebecca J. Campbell of Fullerton, CA.

### In Loving Memory of Ed LaMotte

Jan. 10, 1989

It's been a year since you have been gone And often we wonder What went wrong. We had so many things left to do Like run the Marathon #42. They say that time Heals a broken heart But from you will never part. To us you were more than a friend So why did it have to end We miss you more than words can say And in our hearts and memory you will Always stay. Deeply and sadly missed by Minard, Paula and Mo Harwood

**ENGAGEMENT ANNOUNCED** — Mr. and Mrs. Mitch Thompson of Maple Forest would like to announce the engagement of their daughter Michelle Marie to Jerry (Boo) Helsel, son of Anna and Jim Lawless of Grayling and the late Kenneth Helsel.

### Former Resident Receives Degree

Former Grayling resident Deborah (Moon) Callahan graduated Cum Laude from Central Michigan University on Saturday, December 16, 1989. She received her Bachelor of Science degree in Sociology, with a concentration in Social Work. Deborah is currently employed at the Isabella County Child Protection Council as Coordinator and is planning to further her education. Deborah's husband, Pat, completed his degree in 1987 and is working as a Substance Abuse Counselor/Educator for Gratiot County Mental Health in Alma, Michigan. They have two children, Bridgit, age 9 and Shawn 7.

## Challenging Icehouse Classes Make Winter Quilting Fun

The time between the Christmas holidays and springtime activities can sometimes pass at a snail's pace leaving people with too much time on their hands and a little depressed.

The Icehouse Quilt Shop's schedule of quilt-related classes offers a perfect solution to the winter-time doldrums. Jill Wyman, Dawn Goodrich and Winnie Riddle, the Icehouse staff, have just completed their latest newsletter, The Icehouse Crier, detailing the upcoming classes that will begin January 17 and continue through March. The newsletter, which will be distributed via APS this week, includes a brief description and the date and time of each class along with pre-registration dates, class size limits and fees.

Deciding which classes to offer each quarter is a challenge for the Icehouse staff. Many of their new techniques are learned when they attend the various quilt markets held annually throughout the United States. Attending these markets gives the staff an opportunity to visit with the authors and designers of the latest fabrics, books and patterns and then bring the new materials and ideas back to Grayling. Classes are also repeated by popular demand.

One of the new classes offered this quarter is Wearable Art for Real People. Students taking this class will take a favorite pattern and by piecing fabric of their choice and colors together make their own material. The handmade material will then be cut into pattern pieces and sewn together. This piece of clothing can then be finished (quilted, lined etc.) as the wearer desires.

"Wearable Art for Real People gives ordinary people an opportunity to design clothing that looks good on them by accentuating their body's positive qualities," explained Dawn, "while allowing quilters to take their art with them wherever they go."

Class times include morning, afternoon, evening and Saturday hours to accommodate everyone's schedule. If a class is offered that does not fit in with your schedule, talk to the staff and every effort will be made to match person, time and class at the earliest possible time. The staff is always available for project consultations. That's their job!

Most quilting students come from a 50 mile radius around Grayling, but a few students have come from as far away as Grand Rapids and Traverse City. Some are beginning quilters, some are experienced, one man took a quilting class, all were glad for the effort spent and many students tell their friends about what they learned.

"The classes are always fun," said Bev McNamara, a regular Icehouse student. "The teachers are all knowledgeable as are the other people taking the class. Ideas are shared by those taking the class as we all learn from the instructors."

Instructors include the Icehouse staff, but guest instructors have come from other parts of Michigan, the United States and this quarter, Kathy Bissett from Waterloo, Canada, will be teaching her Hidden Wells quilt technique as well as a class in color selection entitled Colour Your Palette.

Another new feature offered by the Icehouse this year is the Block of the Month. Winnie and Dawn will be designing an original quilt block each month. These patterns will be sold separately or as a set. More information about this program is available in the newsletter.

"Monthly blocks is not a new concept," said Winnie, "but we are going to take out-of-the-ordinary monthly themes and design original blocks using bits and pieces of old time favorites."

With eighteen classes offered in addition to the Block of the Month program there is little need for residents to sit around fretting about how long "old Man Winter" is going to cover the north woods with that white fluffy stuff. Instead, why not stop in at the Icehouse Quilt Shop, pick up a copy of The Icehouse Crier, sign up for several quilting classes, and stitch your way to spring.

## Middle School Notes

The students at Grayling Middle School had many activities during the week of December 18-22. Among those activities was a door decorating contest for the holiday season. Mrs. Ellen Thompson's fifth grade class won first prize, while Miss MacDonald's and Mrs. Hamlin's classrooms tied for second place. Winners were treated to holiday treats provided by the middle school student council.

Students also collected canned goods for those in need. Four boxes of food were packed and wrapped by members of the student council. Items included soups, vegetables, boxed goods, and the middle school student council purchased three

turkeys to go with the food boxes. Another big event that students participated in took place on Friday morning, December 22; students had a holiday ap-

preciation day activity. Throughout the week during lunch periods, students signed up for various activities, which included skiing, sledging, tubing, ice

skating, cookie decorating, movies and numerous other events. Friday morning all students participated in their chosen activity.

All these activities were sponsored by Grayling Middle School student council with the help and support of the Middle School staff.

**STUDENTS HELP**—Grayling Middle School Student Council packed four food baskets for those in need in Crawford County. Turkeys were purchased at cost from Rochette's I.G.A. to go with the food baskets. Each middle school student was asked to donate at least one canned item and the response was fantastic.

## Sweet Adelines Invites Local Women Singers

The Grand Traverse Chapter, Sweet Adelines, Inc., cordially invites all women between the ages of 18 and 80 interested in singing barbershop music to an open house on Thursday, January 18, 7 p.m., at Faith Reformed Church, 1129 E. Front St., Traverse City.

The chapter is part of an international organization of women dedicated to singing 4-part harmony. It presently has members coming from Traverse City, Old Mission, Long Lake, Silver Lake, Chums Corners, Interlochen, Grayling, Roscommon, and Elk Rapids. Those interested in further information may call Sharon Huss, 348-8223.

## St. John Ladies Host Party

The ladies of St. John Lutheran Church will host a luncheon and card party in the Fellowship Hall at the Church on Wednesday, Jan. 17. Luncheon will be served at 1:00 p.m. followed by cards. Fill a table or just come. Everyone is welcome. For more information, please call Dorothy McLeod at 348-9189; Elsie Jansen at 348-5572 or the Church office at 348-5224.

## United Way Receives Money

From the Knights of Columbus Charity Game for the month of December, United Way received \$31 on behalf of Judy Schweitzer and United Way received \$28.50 on behalf of Catherine Wirtz.

## Hobby Club Enjoys Busy December

December was a busy month. December 11th we met, with 13 members and 1 guest, to complete the reindeer candy canes for the Frederic Elementary School children and table favors for 3 senior citizen homes. Annabelle Armstrong was our hostess that evening.

December 12th we met again, with 9 members and 1 guest to make Christmas plates for senior citizens. Helma Post and Betty Lepper were the hostesses.

Saturday, December 16th we held our club Christmas party with 22 members and guests attending. After supper we enjoyed a Santa Claus relay and bingo. Christmas carols were sung and gifts exchanged. Don Germain was the winner of the door prize.

## Births

Perry and Nancy D'Amour of Phoenix, AZ, are the proud parents of a son born on January 5, 1990. Ryan Lee weighed 8 lbs. 1 oz. Grandparents are Jackie and Leon D'Amour of Grayling and Earl and Betty Jo Bartee of Phoenix.

## GHS Matmen Win Tournament

**1ST PLACE** — GHS Matmen celebrate after winning the 12-team tournament at Scotville Saturday.

The GHS wrestling team took first place in the 12 team Mason County Central Invitational last Saturday, January 6, in Scotville and captured 10 individual medals.

Grayling finished well ahead of the second place school with 156 1/2 points. Following behind Grayling was Hesperia with 137 1/2 pts. and Mason County Central with 127 1/2 pts., all Class C schools. Placing fourth was Greenville, a Class A school, with 118 pts.

Coach Ferguson said wrestling against

Class A schools is often intimidating for teams coming from smaller schools and for this reason it is important to note the ratings of the first four places.

Taking first place medals from Grayling were 119 pound Terry Sorenson with a 14-3 record and 171 pound Denny Springer whose record is 16-1.

Placing second were Dan Jurkovich (103 pounds) record 12-3 and Chad Broeker (112) with a 10-3 record.

Third place: Doug Doty (145) 12-6, Don Baker (152) 6-6 and

Tom Schweizer (189) 11-5.

Fourth place: Andy Moore (125) 11-8, Sam Mack (130) 7-6 and Joe LaForest (140) 10-9.

Coach Ferguson said his team wrestled as a team, helping each other, and showing great team effort.

"The team leaders came through with big victories," he said, "and the supporting cast did good, too."

On December 30th the Grayling Matmen took part in the Freeland Tournament, described by Coach Ferguson as the most difficult tournament of

the season, and finished in 10th place.

Sixteen teams participated in the meet and Shepherd took first place with 184 points.

Bay City Western came in second with 169 pts. and Bullock Creek was third with 155 pts.

Individual third place finishers were Terry Sorenson winning three matches and Dennis Springer also winning three matches.

Dan Jurkovich took fourth place winning one of his matches.

Other Grayling wrestlers to win matches were Andy Moore 2, Sam Mack 2, Joe LaForest 2, Doug Doty 2, and Todd Thorsen 1.

Ferguson said participating in the Freeland Tournament provided good exposure for the team.

Grayling brought 10 medals home from the Ogemaw High Tournament on Wednesday, December 27.

There was no first place trophy for teams in this meet and only six teams participated, but Ferguson said the mat time was valuable experience.

First place finishers were Dan Jurkovich and Denny Springer. Second place: Chad Broeker, Terry Sorenson, Doug Doty and Todd Thorsen.

Third place: Sam Mack, Jeremie Harwood, Joe LaForest and Tom Schweizer.

## Frederic News

The Frederic Fire Dept. received donations of toys from the Moose Club of Grayling, and an unknown citizen for stuffed animals, for the area children at Christmas. Four members of W.I.F., delivered the toys, Clara Varco, Elaine Baldwin, Polly Babbitt and Anna Stoddard.

On Dec. 17 the Christmas Party for the boys and girls for Frederic and Maple Forest was held, with cookies, hot chocolate, and gifts given from Santa and Mrs. Santa Claus. It was sponsored by the Frederic Fire Dept. and W.I.F.

The winners for the Christmas decorating contest are: 1st Prize - Doren Dale, 2nd

Edward & Barb Jones, 3rd - Ken Stoddard.

Judging the entries were Debbie Babbitt, Susan Keene and Audrey Perkins.

Out of town guests at the Ken Newberry home at Christmas time were their daughters, Kathy and Janet of Lansing and Steve Mosher.

The Newberrys spent the remainder of their vacation visiting their other children and families in Virginia: Oneal, Marlene, Aaron and Britany Wiggins and Forrest Newberry of Lightfoot; also Kenneth Jr., Linda, Christopher, Amanda and Chelsea Newberry of Williamsburg. The Newberrys returned home January 1st.

## The Bible Speaks

## The Gospel of John Part #110 Behold The Title

Above the cross of Jesus Christ, Pilate placed a title depicting his accusation. "And Pilate wrote a title, and put it on the cross. And the writing was, JESUS OF NAZARETH THE KING OF THE JEWS." (John 19:19). The name Jesus identified our Lord as savior. (Matt. 1:21). Nazareth, identified his home. You remember Nathanael questioned, "...Can any good thing come out of Nazareth?" After meeting Jesus he said, "...Rabbi, thou art the Son of God; thou art the King of Israel." (John 1:46, 49).

The purpose of the title from Pilate's part was to humiliate the Jews, but from God's

sovereign control, it was to proclaim the truth. "This title then read many of the Jews; for the place where Jesus was crucified was nigh to the city: and it was written in Hebrew, and Greek, and Latin." (John 19:20). It was assimilated by "many of the Jews", being accessible, "nigh to the city", and it was available in three languages. Hebrew was the local Jewish language, and the language of their religion. Greek was the common or universal language throughout the empire, and was the language of culture. Latin was the official Roman language and the language of government.

The title was protested by the Jewish

leaders. "Then said the chief priests of the Jews to Pilate, Write not, The King of the Jews; but that he said, I am King of the Jews." (John 19:21). It has always been religious leaders who have tried to deny the truth about Jesus Christ. That is still true today.

The title was preserved by both sinful Pilate, and a Holy God. "Pilate answered, What I have written I have written." (John 19:22). Pilate the crafty politician had violated all standards of Roman justice in crucifying a person he had already declared totally innocent. Now, he intended to both insult the Jews by this public title, and enhance his own position with Rome. Caesar would hear that Pilate was keeping

## From Calvary Baptist Church

down all attempts at insurrection against Rome.

Yes, our King was crucified on that cruel cross, but that cross became His throne. It was through His shed blood for us on the cross we are saved from our sins. (Eph. 2:16; Col. 1:20). It was there Christ removed all God's broken law which condemned us. (Col. 2:14). This is why we preach the cross. (1 Cor. 1:18, 21). We glory in the cross.

(Gal. 6:14). The Christ who conquered the cross is our hope. "Looking unto Jesus the author and finisher of our faith; who for the joy that was set before him endured the cross, despising the shame, and is set down at the right hand of the throne of God." (Heb. 12:2).

## CHURCH DIRECTORY

A cloud silhouetted against the sky... clouds drifting through the air... common sights. But this tree highlighted by these clouds is dramatic. Often, it's the combination, the merging of people or things that attracts our attention and excites our imagination. In our community there are places of worship—churches. Viewed simply as empty buildings, they can seem ordinary. And people in a crowd can often lose their individuality. But bring together a crowd of people, united in a common faith, to worship God, and suddenly there's a merging of the human and the Divine that rises above the commonplace. God and man united in purpose—this is the world's best hope!

### Crawford County Road Commission Minutes November 27, 1989

A regular meeting of the Crawford County Road Commission was held in their office in Grayling. Present were: Chairman Norman Parker, Commissioners Gloria Kraus and Clyde Anthony, Engineer-Manager John Keir, Accounting Clerk Joanne Thompson and Chairman of Road & Bridges Bob Nelson.

The minutes of the previous meeting of November 10, 1989 were read. Commissioner Kraus made a motion to accept the minutes seconded by Commissioner Anthony. All voted in favor, minutes approved.

Payroll Voucher Number 23 in the amount of \$28,962.39 and Material checks numbered 15642 through 15689 in the amount of \$88,966.84 were ratified.

Permits were reviewed and signed as follows: GTE to bury communication cable north and south of M 72 East in Grayling Township; Consumers Power to install a pole and transformer on West 6 Mile Road in Beaver Creek Township and also to install underground cable on East Pioneer, Barton and Louise Court in South Branch Township; Top O Michigan to erect an overhead line on F 97 (Lovells Road) in Lovells Township.

Dave Sabin, Attorney, appeared before the Board regarding the stipulations received last meeting from King Venture. He suggested that the Board hold a meeting with the architect and King Venture to discuss some of the features.

Discussion was held on gravel and drainage problems. Engineer-Manager Keir informed the Board of a retirement luncheon for Walt Connors of Gladwin County.

Correspondence was reviewed from David Sabin, County Road Association of Michigan, Michigan State University and a resident of Dry Lake Road in South Branch Township.

Engineer-Manager Keir was instructed by the Board to sign an agreement with Consumers Power Company for the installation of a control beacon at the intersection of Higgins Lake Road and Old 27.

There being no further business before the Board, a motion was made and seconded to adjourn. All voted in favor, meeting adjourned. Joanne Thompson Accounting Clerk Norman L. Parker Chairman

The minutes of the previous meeting of November 27, 1989 were read. Commissioner Kraus made a motion to accept the minutes seconded by Commissioner Anthony. All voted in favor, minutes approved.

Payroll Voucher number 24 in the amount of \$30,407.16 and Material Checks numbered 15890 through 15956 in the amount of \$49,402.10 were presented to the Board for approval. Commissioner Anthony made a motion to accept the vouchers, seconded by Commissioner Kraus.

Permits were reviewed and signed as follows: Top O Michigan to erect an aerial crossing on F 97 (Lovells Road) in Lovells Township; PGI Seis Pro to conduct a seismic survey throughout Lovells Township; Shell Western E & P to conduct a seismic survey in Beaver Creek Township and Western Geophysical to conduct a seismic survey in Grayling, Lovells and South Branch Township.

John Hartman, Beaver Creek Township Supervisor, appeared before the Board regarding the Billman Road Culvert.

At this time a quorum of the members was present, the following resolution was unanimously adopted by a vote taken by yeas and nays and entered at large upon the records of said Board and:

WHEREAS, the Statutes of the State of Michigan require all roads and streets eligible to become a part of the County Road System to be formally deleted by resolution of said Board and;

WHEREAS, the State Highway Commission of the State of Michigan by virtue of Act 51 of the Public Acts of 1951, requires proof of the deletion of all roads subsequent to April 1, 1951, by the said Board; and

WHEREAS, The adjacent property is owned by the State of Michigan; and services the facilities of Camp Lehman.

WHEREAS, the road, that portion of the gravel road, a length of 0.26 miles, which is known as Batterson Road (Camp Lehman Road), and runs in a westerly direction from M-88 to and through the southerly portion of the following described property upon which described property is located the Michigan Department of Corrections facility called Camp Lehman, to wit:

Commencing at NE corner, Section 3, thence southerly along centerline of M-88; 3658 feet; thence west 225 feet to point of beginning; south 942 feet; westerly at right angles 1,040 feet; northerly and parallel to the east line 942 feet; easterly to point of beginning, Section 3, Town 27 North, Range 3 West.

WHEREAS, in the best interest of the public:

NOW THEREFORE, BE IT RESOLVED, BY THE Board of County Road Commissioners of the County of Crawford, Michigan, that Camp Lehman Road be and is deleted from the Local Road System of the County of Crawford and thereby becomes ineligible for funds from the Gas and Weight Tax of the State of Michigan as specified in Act 51 of Public Acts of 1951, as amended and supplemented.

YEAS: PARKER, ANTHONY, KRAUS.

NAYS: NONE.

RESOLUTION ADOPTED.

Commissioner Kraus gave a synopsis of the Southern Michigan Road Commissioners Seminar she attended last week.

Reviewed were the cash flow and preliminary drawings from R.W. Scott & Associates for the Mc Masters Bridge project and an Oil & Gas lease from Shell Western.

Discussion was held on equipment and Engineer-Manager Keir was instructed to prepare specifications for a new truck and to put up for bid a 1987 TD 18 bulldozer.

Pursuant to Section 9 of Chapter IV (County Road Law) of Act 283 of 1909, as amended, being the General Highway Law, the County Board of Commissioners has authorized the appointment of a secretary to act as Clerk to the Board of Road Commissioners because of the amount of record keeping having reached a sufficient volume.

The Board of Road Commissioners does acknowledge that the record keeping of the Crawford County Road Commission is of sufficient volume as to warrant the appointment of a secretary to act as Clerk of the Crawford County Road Commission Board. Commissioner Kraus made a motion to have the Engineer-Manager act as Clerk, seconded by Commissioner Anthony.

There being no further business before the Board, a motion was made and seconded to adjourn. All voted in favor, meeting adjourned. Joanne Thompson Accounting Clerk

## Resource Review

By Bruce Patrick  
Conservation Officer

I have recently received a copy of the hunting and fishing laws from the State of Maine. Reading through this lawbook has been interesting and informative and I thought I would pass on a few of the things I have found.

Some of the

similarities with Michigan law concern equipment used for hunting. As in Michigan, Maine prohibits the use of any automatic firearm; any semi-automatic firearm capable of holding more than 6 rounds (Michigan law does allow the use of a

semi-automatic .22 caliber capable of holding more shells); silencers; tracer or explosive rounds; crossbows; and artificial lights.

While Michigan has a fairly comprehensive Recreational Trespass Act, Maine apparently only has a section prohibiting the "abuse of another person's property". This violation is then detailed as destroying a fence or wall, leaving a gate open, trampling or destroying crops or damaging a tree by "inserting any metallic or ceramic object to be used as part of a ladder observation stand."

Maine has some very restrictive regulations concerning the taking and possession of deer, even though they have a lengthy season, which runs from "the 5th Monday preceding Thanksgiving to November 30". A few of their regulations:

the Saturday preceding the first day of the open season is for residents of Maine, only (there is no Sunday hunting allowed); all deer killed must be registered; all deer killed during the bow season must be inspected to insure they were actually killed with a bow and arrow. It is unlawful to drive deer; to entice deer with "salt or any other bait or food"; to transport a legally taken deer unless it is tagged, "open to view" and is accompanied by the person who killed it. The "commissioner" (whom is analogous to our Director of the Department of Natural Resources) may terminate the deer season "at any time in any area, due to adverse weather conditions or severe hunting pressure".

The size of the deer herd in Maine, and the number taken, must be considerably less than ours. I can't imagine a registration and inspection requirement here.

## Verse or Worse

By Joe Murphy  
Musings

I wish I could somehow convey  
The thoughts that fill my mind today  
The hopes and dreams that I still find  
Within my old and care worn mind

They say, Hope springs eternal in the human breast  
So until my old body is laid to rest  
I'll have my dreams of days to come  
Of a world that's never out of plumb

A world of friendship and brother hood  
Where all men work for the common good  
Where everyone will be well fed  
And be safe and secure in their bed

A world where there will be no cannons roar  
Where peace will reign instead of war  
A world that's free of greed and strife  
Where all will lead an abundant life

A world that's free of sickness and pain  
Where the infirm will all be whole again  
Where the deaf will hear and the blind will see  
Where all can live in harmony

Where each can worship in their own way  
And find time each day to kneel and pray  
A world where prisons would crumble to dust  
As all men learned respect and trust

It can never happen some men say  
Life on earth can't be that way  
I'd like to know before I die  
If it's all a dream and if so WHY??

## Doodles from the Tall Timber

By Wendell L. Hoover  
Hartwick Pines Interpreter

According to what has been left as a written record of logging during the heyday of the Pine, sled roads were sometimes marvels of design and layout when you consider the level of education that those doing the engineering possessed. No matter how well a sled road was laid out there was always an element of danger present when a teamster put his horses on that road with a sled load of logs. A teamster risked his and his horse's neck day after day on hills with his running horses straining out ahead at the end of the sleigh tongue.

A teamster told a rather long story about going down a rather steep pitch with the sled being held back by a snubber, but the rope for whatever reason broke. At that point, it was up to the teamster to save three lives. With the horses going for all they were worth, he felt something clutching his foot. When he looked down,

the heel of his boot was caught fast between the logs which had shifted. It was lucky that he pulled his foot out, because the logs rolled right up the boot leg to almost the knee.

At the bottom of the hill, there was a curve which he couldn't swing the horses around because of the speed. The three thousand feet of logs was pushing them but he tried to swing them none-the-less. Straight off the end of the curve was a large up-rooted spruce with a twenty to twenty-five degree lean. The load pushed the team right up the spruce, one on either side and there they hung by the neck-yoke, kicking into space.

The load of logs stopped dead when the sled bunk hit the tree. Just before it hit, the teamster jumped and landed in some small spruces, bounced off them into a pile of snow. He picked himself up and rushed to the team. Even with their hind feet on the ground they would choke to death if he did not do something fast. His axe was still stuck in a log up on top of the load, so with that in hand, he crawled out to cut the neck yoke. According to him, the horses knew he had come to help and they stood quiet as kittens while he cut the neck yoke to let them down.

A good teamster loved his horses and he was proud of them.

## A Look At Our Past

23 YEARS AGO  
January 5, 1967

Payments in lieu of 1966 taxes totaling a record \$806,000 were mailed to 76 Michigan counties by the Conservation Department for some four million acres of state lands which it administers. Crawford County's share was \$32,605.48.

The Grayling Jaycees maintained an ice skating rink on Lake Street just west of the railroad tracks on the site where the Grayling Bottling Plant once stood. The rink was open to the general public at no charge. The Jaycees planned to add lighting so that the rink could be used by skaters during the evening hours.

Mr. and Mrs. Jim McClain took their son Jimmy to the hospital last Thursday evening for an emergency appendectomy.

The City Fire Department sent ten men to answer a call Thursday, December 28, at 1:05 p.m. from Bear Mountain after a large compressor which furnished air to a snow making machine blew up. Park personnel had the fire out by the time the department arrived. The depart-

ment was called mainly for standby assistance.

A reception for Mr. and Mrs. Frank LaMotte in celebration of their 60th wedding anniversary was held at St. Mary's Church from 1-5 p.m. on Sunday, January 8th.

1966 was a banner year for Camp AuSable. The camp, open for year 'round use by Seventh-day Adventist youth and parents, received 4,340 campers and guests. During the summer visitors to the Camp come for camping, nature lore, canoeing, boating, swimming, and water skiing. During the winter a few go canoeing, but the majority prefer skiing, skating, tobogganing, bob sleigh rides and using snowmobiles. Most campers were residents of Michigan, but during the summer of '66, there were junior youth at the Camp from far away lands such as India, Africa, and the Far and Near East. These youth were the children of delegates attending a world conference for Seventh-day Adventists in Detroit.

46 YEARS AGO  
January 6, 1944

Grayling High School will be playing its first Northern Class C Conference basketball game Friday, January 7th when it meets Gaylord on the local court. Coach Cornell has been experimenting with a few changes in the line-up so fans may see Sandy Thompson back at his old post at forward. Bennett may also be shifted to forward, while Allen is sure to hold down one of the guard spots. For the center and other starting guard there will be close competition between Stevenson, Burns, Anthony, Brady, Schaible, Carlson and Small. Papendick, a likely center prospect, is ineligible for the week.

Grayling Kiwanis Club last week closed its 1943 affairs at its regular meeting at Shoppensons Inn and officers for 1944 were duly installed. There were a number of visitors present. L. I. Governor Allen Schruer and Past L. I. Governor Frank Shipp. Also Douglas Stirling, manager of the Reed Paper Co. of Saginaw. Rev. Kuhlman gave a resume of some of the

highlights of his administration just closing. President-elect Roy Trudgeon was awarded the club president pin and together with vice-president elect Stanley Stealy and secretary-treasurer Jerome Kessler were admonished as to the responsibilities of their respective offices. Informal discussion followed; prominent among the topics the matter of an ice skating rink. Tony Nelson of the State Highway Department offered the use of their equipment and City Manager George Granger says the City is ready to cooperate in helping put over this important project.

Enrollment in the Naval Training School for storekeepers on the Indiana University Campus at Bloomfield, Ind., has started. Woman Reservist Yelvie J. Stephan, 20, Grayling in her specialty career as a naval storekeeper.

Mrs. Thomas J. Wells entertained with a sumptuous New Year's dinner at her home on the AuSable in honor of her son Perry. Those present were Mrs. James Perry, Mrs. Lloyd Perry and

family, Mr. and Mrs. Verne Perry and son Robert, Mr. and Mrs. Claude Cardinal, Miss Wanda Cardinal, Mr. and Mrs. Alfred Borchers and daughter Bonnie Kaye, all of Grayling.

New Year's day several families of the Grange met at the hall and enjoyed a bounteous dinner together.

After the meeting several remained and others came and had supper. The big event of the evening was helping Mr. and Mrs. George Annis celebrate their golden wedding anniversary.

The Richardson school in South Branch has a new coat of paint.

It made a big improvement. Misses Mary Ann Felling and Donna Millikin of Midland visited over New Year's at their parental homes.

Sgt. Otis Feldhauser of Fort Story, VA, is home on leave visiting his father, Charles Feldhauser, of Maple Forest.

Miss Ella Stahlman of Sheppard, first grade teacher in the public schools, has resigned her position here. Mrs. Roy Trudgeon has been hired to fill the vacan-

cy for the remainder of the year.

All children and 14 grandchildren were present at the home of Mr. and Mrs. T. San-Carter at a family reunion and homecoming of their son Walter, serving in Panama! Also a farewell to their grandson Bob Tiffin, who leaves tonight for Air Cadet training.

Mr. and Mrs. Sigwald Hanson have received word that their daughter Marion has arrived safely at New Guinea. Miss Hanson is with the American Red Cross.

Corp. Lloyd G. Gierke sends the following greeting from Italy to us: Never too far away to wish you a Merry Christmas and every good wish for happiness in the New Year. He is with the 526th Fighter Bomber squadron.

Other greetings were received from Don Brown, Fort Story, VA, and T-4 Vernon Campbell, Camp Polk, LA.

Mrs. Claire Millikin and two daughters and Mrs. Vern Clark of Detroit spent a week with Mr. and Mrs. Ralph Millikin while her daughter, Marilyn was a patient at Mercy Hospital, where she

underwent an appendix operation.

69 YEARS AGO  
January 1, 1921

Judge Oscar Palmer handed over his official affairs as retired Judge of Probate to George Sorenson, who got busy at once and is now ensconced in judicial authority in this smallest paid office in the County.

Alma Pearl, 13 year old, the daughter of Mr. and Mrs. Wilber of this city, passed away at the home of her parents very suddenly on New Year's afternoon, from acute indigestion.

A son, Robert Ellsworth, was born to Mr. and Mrs. Oscar Deckrow, yesterday morning.

Mr. and Mrs. Floyd McClain are receiving congratulations on the birth of a son, born Friday, December 31st.

Word has been received by friends here telling of the birth of a son to Mr. and Mrs. Earl Woodburn of Detroit. Mrs. Woodburn will be remembered as Miss Louis Peterson.

A son was born to Mr. and Mrs. Henry

Stephens at their home in Santa Barbara, Calif., Dec. 24, according to an announcement sent out by "Tom" to some of his local friends.

Tomorrow evening the big circus and dance, as the annual party of the Grayling Council, Knights of Columbus, will be held at the High School gymnasium. There will be a grand band concert by a band of 60 pieces.

Peter Christenson arrived the fore part of the week from Bowhill, N.D., and has been visiting his sister, Mrs. Karl Phillips, who he had not seen in 31 years. Mr. Christenson was one of the pioneer settlers of this county, but left Grayling many years ago.

Benjamin Shore of Bay City is expected to arrive here this week and will assume the duties of assistant superintendent at the duPont plant. H. Clay Hodgson who is now assistant superintendent, will assume charge of the chemical laboratories. C. T. Clark will serve as superintendent of the Bay City plant and C. M. ## GHS Spanish Students Visit Nursing Homes

Students from the Grayling High School Spanish Department visited Mercy Manor and The Meadows of Grayling on December 15 to perform Spanish Christmas carols for the residents of both places.

Immediately after Thanksgiving, interested students from all four levels of Spanish began rehearsing every morning before school to learn the selection of a dozen carols in the second language.

The Spanish Department has been making the carolling trip annually for several years. This year, 34 students (about one-quarter of the total GHS Spanish enrollment) participated with their instructor Nancy Lemmen.

Students from Spanish VII (4th year)

included: Lisa Jo Barber, Melanie Ojala, Heather Pelton and Margarita Perez.

Spanish V (3rd year) students included: Paula Nunn and Danielle Waldorf.

Spanish III (2nd year) students: Kristen Albee, Michelle Burcham, Kristie Larnie, Nikki Lester and Angie Thompson.

Spanish I (1st year) students: Beth Bobenmoyer, Sara Bobenmoyer, Nicki Burcham, Jody Denno, Karen Febey, Laura Hamilton, Tia Long, Melissa Miller, Heather Millikin, Amanda Moran, Sarah Neal, Angie Papendick, Sarah Petrie, Jody Pratt, Patty Puls, Laura Renon, Tammy Romain, Yolanda Rost, Brandi Schalaus, Val Schans and Kelly Walters.

Spanish student

aides Hannah Peterson and Nikki Trenary, and GHS graduate Angela Ross, who studied Spanish for four years, also performed.

The students took God's Eyes and Spanish Christmas cards, made by first year Spanish students, to give to residents of both places.

The following week, on December 20, the Spanish Department held its annual Christmas Fiestas. Students in all classes dined on Mexican food and watched a Christmas video in Spanish. The following day, first year classes broke pinatas that several students had made. The custom of the pinata came to Hispanic America from Italy, and pinatas are often broken by children at Christmas and on other special occasions.

## Bits of Talk

Bob Ruddy has been busy at the Crawford County Historical Museum this winter making improvements for the coming season. He's been framing pictures and doing other odd jobs.

Snooks Akers has insulated all of the windows to cut down on heating expenses. The Museum is always grateful for any contributions to help with expenses, particularly during the winter heating season. They may be sent to Marle Akers, Treasurer, 805 Plum Street.

The Grayling Kiwanis members were out on the streets in full force selling their Goodfellow

newspapers the week before Christmas. The money earned goes for community projects.

The Art Clough family were all home for Christmas. Kathy and Steve Belcher and four children of Big Rapids, Michelle and Craig Hufstедler and two children of East Lansing, Cindy and Bill Wiseman and two girls of Kaleva, and the Art Cloughs and two boys of Grayling visited their parents, Art and Shirley Clough.

Ann Buron spent Christmas with her son and family, Pat Cherle Buron in Traverse City. Ward and Michael Buron of Nor-

th Pole, Alaska came as well as Jane and Ron Martin of Kalkaska. Pat and Cherle's daughters, Michelle Buron, who is attending the University of Alaska at Anchorage on a ski scholarship, spent a week; Heather Buron came from the University of New Mexico in Albuquerque; Mark and Renne Buron, Walter, of Nunica, and attend Grand Valley College were home. Cherle's mother, Mrs. Gladys Jenkins of Lansing was also there.

John and Rhea Foreman and family of Kalamazoo spent the holidays with her mother, Mrs. Fern Duncan.

## PUBLIC NOTICE

### Crawford County Transportation Authority Proposed State and Federal Section 18 Application For Operating and Capital Assistance

All citizens are advised that the Crawford County Transportation Authority (CCTA) has prepared an application for State of Michigan financial assistance for fiscal year 1990-91, as required under Act 51 of the Public Acts of 1951, as amended, and for federal Section 18 assistance as required under the Urban Mass Transportation Act of 1964, as amended.

The CCTA is requesting \$256,303 in state operating assistance for general public transit services. The CCTA is also requesting 3 replacement buses equipped with wheelchair lifts, at an estimated total cost of \$198,750. The estimated cost of other capital support items included within the application totals \$32,000. Federal Section 18 operating assistance, estimated at \$41,656, is additionally being applied for through this application.

The proposed application is on file at the administrative offices of the CCTA, located at 590 South Merrie Road, Grayling, Michigan, and may be reviewed weekdays during a 30-day period ending February 9, 1990, between the hours of 9:00 a.m. and 5:00 p.m.

Written comments are invited on the application. Alternatively, any citizen may request in writing that a formal hearing be held concerning the social, economic, and environmental effects of these proposals. Written comments, or written requests must be post marked on or before February 9, 1990.

Submittals should be mailed to:
